

Cancer Survivorship Educational Health Fair

A free National Cancer Survivorship Day event!

At Ascension Wisconsin, we align with the National Cancer Institute's definition of a cancer survivor as "An individual is considered a cancer survivor from the time of diagnosis through the balance of life. There are many types of survivors, including those living with cancer and those free of cancer." As a National Cancer Survivorship Day® event, it is also a "celebration for those who have survived, inspiration for those recently diagnosed, a gathering of support for families and an outreach to the community."

Who is invited?

All patients or family members impacted by cancer

When is it?

May 18th, 2024
8:30 A.M.-12:30 P.M.
